

A Moving Digital Experience

Diversitrack™ TV, the only system of its kind in the audio-video industry! Now you can mount your large format LED or LCD TV screen in front of almost anything on your classroom or boardroom wall. Whether you have a dry erase board, chalk board, shelving or casework you can simply slide your TV into position for use then effortlessly slide it back out of the way, retaining your existing space.

- + Mount ANY flat panel display in front of your existing chalk or dry erase board!
- + VESA compliant - supports all brands
- + Supports interactive & standard displays
- + High-definition video quality where you want it, when you want it
- + Self-retracting, coiled power cable included
- + 180 lb. capacity
